

Mimi Meets Books

Mommy has bought Mimi a big stack of books.

Uh-oh...
It's floating away!

Mimi reaches for a cloth book and starts gnawing on it. But it is much too tough to chew...

Mimi opens a Pop-up book.

Mimi picks up a paperback book and begins tugging at the pages.

Wow, it jumps up right at you!

Uh-oh... I tore it!

Mimi uses one book as a fly swatter...

Mimi tosses a plastic book into a fountain in the park.

And others to build a house.

Mimi is having lots of fun. She can do so many tricks with her books.

Mimi also likes to read books with Mommy.

Mommy is reading The Three Little Pigs to her.

Mimi listens once,
Mimi listens twice,

...Mimi has Mommy read it to her thirty-three times!

Mimi can walk into Piggy's world anytime she wants and tag along on Piggy's exciting adventures.

At night, as Mimi sleeps, Piggy flips through the air... and lands right in Mimi's dreams.
